Businesses everywhere are discovering the merits of tablet computing but require a business-oriented device that empowers their mobile workforce to get real work done. The STYLISTIC® Q550 Slate PC is the culmination of 20 years of Fujitsu tablet PC engineering expertise. It has been designed to exceed the demands of mobile field workers, meet corporate IT policy, comply with Windows® compatibility, and adhere to the most stringent security requirements. It offers an exceptionally bright display with uncompromised wide-viewing angles to enhance usability regardless of the task at hand. You can optimize your interaction with both the precision of the digital pen and the convenience of your fingers. The quick-swap battery ensures the STYLISTIC Q550 works as long as you do, delivering on-your-feet computing that simply works for your business.

WORK PRODUCTIVELY ANYTIME, ANYWHERE
Mobile professionals need the ability to not only view content, but to create, manipulate, and collaborate to get real work done. The STYLISTIC Q550 equips you with the tools you need to efficiently complete mission-critical tasks. Its combination of pen- and multi-touch will raise your computing interaction to new levels of convenience and productivity. Running Windows®, you’re ensured of instant compatibility with your existing applications and common productivity applications like Microsoft® Office.

EXTREME MOBILITY
Weighing 1.7 lbs. and featuring an exceptionally bright (400 nit) 10.1” WXGA IPS display with wide-viewing angles, the STYLISTIC Q550 is your on-the-go, out-in-the-field professional companion. Its balanced design with slip-free grip fits naturally in your hands and in your workplace.

QUICK-SWAP BATTERY FOR ALL DAY COMPUTING
Have you ever felt anxious that your tablet’s battery life won’t last an entire work day? Why compromise mobility with a fixed battery? The STYLISTIC Q550 takes productivity further—if you need more power to get you through a long shift, simply swap the removable battery and get back to work fast.

ROCK-SOLID SECURITY FOR YOUR BUSINESS-CRITICAL DATA
When you are handling customer data, financial information, patient records, and other sensitive information, you don’t want to take chances with security. The STYLISTIC Q550 incorporates a suite of security features including Fingerprint Sensor, integrated SmartCard reader slot, embedded TPM (select configurations), and a solid state drive with full disk encryption to protect against unauthorized access of your personal and business data.

STAY CONNECTED EVERYWHERE
Power through your workday while staying connected in practically any wireless environment. With its embedded wireless capability, the STYLISTIC Q550 will connect to a variety of wireless infrastructures. Optional embedded mobile broadband allows you to stay connected wherever you are, whenever you need it.

EXPANSION WHEN YOU NEED IT
The integrated USB 2.0 port provides seamless connections to local peripherals, such as an external storage device, USB keyboard, or printer, to name a few. The integrated HDMI port allows you to connect to an external monitor or HDTV for sharper images, or to a projector for broad audience communication and collaboration.

- EXCEPTIONALLY BRIGHT (400 NIT) 10.1” WIDE XGA LED BACKLIT IPS ANTI-GLARE DISPLAY. GREAT FOR COLLABORATION AND VIEWING IN ALL TYPES OF WORKING ENVIRONMENTS, INCLUDING OUTDOORS
- DISPLAY SUPPORTS BOTH DIGITAL PEN INPUT AND CAPACITIVE MULTI-TOUCH FOR INTUITIVE INPUT
- EXTREMELY LIGHT STARTING AT 1.7 LBS. FOR CONVENIENT MOBILITY
- QUICK-SWAP BATTERY TO GET YOU THROUGH A LONG DAY
- ADVANCED SECURITY FEATURES
- OPTIONAL INTEGRATED MOBILE BROADBAND SUPPORT TO STAY CONNECTED, WHENEVER AND WHEREVER
TECHNICAL DETAILS

SOFTWARE

OPERATING SYSTEM: Windows® 7 Professional 32-bit (MUI)

OPTIONAL SOFTWARE: Microsoft® Office Home and Student 2010, Microsoft® Office Home and Business 2010 (Note: Microsoft® Office applications require product activation)

KEY SPECIFICATIONS

PROCESSOR: Intel® Atom™ Processor Z690
(1.7 GHz, 512 KB cache)

Intel® Atom™ Processor Z670
(1.5 GHz, 512 KB cache)

CHIPSET: Intel® SM35 Express Chipset

MEMORY: On-Board 2 GB DDR2-800 MHz SDRAM

DISPLAY

LCD
Antiglare, bright (400 nit) 10.1" WXGA LED

Max. internal resolution 1280 x 800, 16M colors Simultaneous display resolution: 1280 x 800, 16M colors External display resolution: Supports 480p, 720p, and 1080p

Orientaion Display orientation supported with WiFi On/Off: 0°, 90°, 180°, 270°. Display accelerometer is factory-disabled

VIDEO: Intel® GMA6000 Graphics VRAM, max. 759 MB

DIGITIZER: Digital pen input and capacitive multi-touch

SOLID STATE DRIVE: 30 or 60 GB SATA Ultra DMA 300 with full data encryption and TRIM command support

BUILT-IN Webcam: VGA webcam (front-facing).
1.3 MP camera (rear-facing)

AUDIO: Realtek ALC269 with (HD) audio, one built-in mono speaker and noise cancelling dual microphones

WIRELESS COMMUNICATION: Realtek 8188 11bgn, Bluetooth® v3.0

WIRELESS BROADBAND: Sierra AirPrime™ MC8355 (Gobi™ 3000) supports optional AT&T DataConnect ready (3G, HSUPA), Verizon Wireless Mobile Broadband (3G, EVDO-Rev A), Sprint Mobile Broadband (3G, CDMA), Gobi™ 3000 Dual UMTS/ EVDO w/GPS support.

BATTERY: Lithium Polymer Battery; 2-cell 19 Whr; battery life up to 4 hrs., or 4-cell 38 Whr; battery life up to 8 hrs., 10 mins.

AC ADAPTER: Autosensing 100-240V AC, 40W, 19V DC, 2.1A

WEIGHT: Approximately 1.7 lbs. with 2-cell battery, no Gobi™3000 module or TPM. 1.9 lbs. with 4-cell battery, TPM and no Gobi™3000 module.

MIL-STD-810G: Built Tough MIL-STD-810G tested for various demanding environmental conditions, functional shock, vehicle vibration, vibration integrity, altitude, low (cold) and high (heat) temperature, humidity, transit drop, and blowing dust.

OPERATING TEMPERATURE: 41°F to 95°F (ambient temp.); 20% to 85% relative humidity, non-condensing

NON-OPERATING TEMPERATURE: 5°F to 140°F; 8% to 85% relative humidity, non-condensing

KEY ACCESSORIES: Docking cradle with four USB 2.0 ports and DC in connector, Foliio case, Bluetooth keyboard, Additional 4-cell 38 Whr battery, screen protector, and auto/air adapter. For a full list of accessories, visit www.shopfujitsu.com or call 1-800-FUJITSU

1) Actual system weight may vary depending on configuration and manufacturing variability.
2) Microsoft Office Starter 2010 (32 bit) includes reduced-functionality versions of Word® and Excel® only, with advertising. No PowerPoint® or Outlook®. Purchase Microsoft® Office to activate a full-featured suite.
3) One gigabyte (GB) = one billion bytes; accessible capacity will be less and actual capacity depends on the operating environment and formatting.
4) Bluetooth device is not included with your notebook/tablet PC. Activation, credit approval, and 2-year minimum commitment required. Monthly service fee, taxes, surcharges are extra. Actual connectivity depends on the wireless service provider’s coverage area and may be affected by equipment, topography, signal strength, environmental considerations, and other factors. Service may vary significantly within buildings. Coverage not available everywhere — see wireless carrier’s coverage map for details. Terms and Conditions and additional restrictions apply. A GPS application (compatible with MMCA v 3.1 or later) must be purchased separately.
5) Battery life tested using MobileMark 2007 and may include audio muted. Battery life will vary depending on the product configuration, product model, application loaded on the product, power management settings on the product, Operating System, and the product features used by the customer. As with all batteries, the maximum capacity of the installed batteries will decrease with time, usage, and how often the batteries are charged by the AC adapter. Any reduction in battery performance will be within specifications. 6) MIL-STD-810G test results are not a guarantee of future performance under identified test conditions, nor does it imply that it will meet the contract requirements of Department of Defense. Accidental damage is not covered under standard international limited warranty.
7) Service and warranty turnaround time may vary by country and product. The International warranty is only valid for products purchased in North, Central, and South America.
